NEWS AND ACTIVITIES OF THE LINCOLN SKY KNIGHTS R/C CLUB

President's Message

Hi fellow club members. We made it to June and flying season is in full swing.

There are contests, fun fly's and gatherings all over the Midwest matter what your skill level or interest something is out there to enter and gain new contacts and friends.

This weekend is the June fun fly at our field. Thank you to Milt for his work on the grass strip and Bill for the drive. Field maintenance is an ongoing and never ending project. All help large or small is needed to keep ours one of the greatest around. Even if it is emptying the trash and, leaving the field a little nicer when you leave then when you got there will help us all.

Secretary's Report

With the absence of President Alan Zinnecker, VPCD Leonard Akert took over the show and started the meeting for May 2016 for the Lincoln Sky Knights at 7:26 pm. Calling for any corrections or additions to the April meeting minutes resulted in silence so he then called for approval of the minutes as stated in the previous newsletter. The minutes were voted on and approved.

VP/CD Report

Leonard then went on with the VPCD report. Most all the events coming up are on the Metro area website and in the event section at the end of the LSK newsletter. One thing to note is that Wayne Nguyen and

his Misses will be doing Saturday lunch for the June Fun Fly.

AREA EVENTS

June 4th and 5th LSK Fun Fly

September 25th 60th Fall Fun Fly

Treasurer's Report

Mike Yearly gave the Treasure's report and had three new members to report on and that the bills are all getting paid. Mike also said that the "No Fly" list will be put up shortly for those that don't get their dues in.

Safety Officer's Report

Safety Officer's report; no calls, no complaints.

Old Business

Old business just happened to be a repeat of last month. The cracks in the runway cannot be fixed until the weather co-operates.

New Business

On to New business, Bill Davis said he can get a motor-grader for \$250 to fix the parking lot and the drive. A motion was made to have Bill do the work and hire the use of the grader. The extra rock for the

drive idea was tabled until next meeting. Rich Kuenning brought up a concern and a need for it to be addressed. The number of people that can mow the field has dwindled in the last year and replacement mower operators are needed. Please contact Rich to get checked off to run the mower if you can spare an afternoon and help out the club.

New Members

On an exciting note: One new member was at the meeting Zack Dady. He is the club's newest member and was voted into membership on the spot. Welcome Zack.

Models of the Month

There were a few entrants for the Model of the Month; Don Saiser brought his Aircobra Brooklyn BUM II and made the stage for the Fighter category. Allen Worrest brought his Mythos30E from SebArt for the Pattern category and complained a little about the fit and finish of this ARF. The aircraft filling in the Race plane category was a rebuilt by Rich Kuenning; a Steve Whittman Bonzo racer from 1974. All looked great and made for a very colorful and diversified showing. Great job to all these pilots.

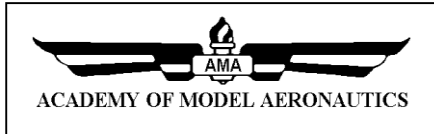

Meeting adjourned

The meeting was called to a close at 7:57 just thirty-one minutes after it was called to order.
