For more information on this program and other LSK events, visit the LSK web page at [www.lincolnskyknights.org](http://www.lincolnskyknights.org)

This program has been made possible in part with donations from the Lincoln HobbyTownUSA stores.

**LSK Flying Site, 1/4 mile north of 134th & Waverly Road.**

Flights may not be offered if there is a threat of rain, or winds are over 15 MPH. All flights are supervised by LSK instructors and use a "buddy box" system which allows the instructor to take full control of the aircraft at any time. Flights offered May thru September.
